8 Tools for Emotionally Healthy Relationships:

1. Community Temperature Reading

To increase awareness within yourself of your God-given value and to build healthy relationships with others.

2. Stop Mind Reading

To Clarify what another person is thinking instead of making assumptions.

3. Clarify Expectations

To recognize whether certain expectations are valid or not, and to clarify them with others.

4. Genogram Your Family

To become aware of, and break, unhealthy, sinful patterns in your family of origin to fulfill your God-given purpose.

5. Explore the Iceberg

To become aware of your emotions with the goal of processing them and discerning God's will.

6. Listen Incarnationally

To listen at a heart level with empathy, attuned to the words and nonverbal cues of another person.

7. Climb the Ladder of Integrity

To clarify your values by processing your thoughts and feelings – and if appropriate, assert yourself respectfully.

8. Fight Cleanly

To resolve a conflict maturely by: 1) eliminating dirty fighting tactics and 2) taking responsibility for a difficult issue.
